OFFICE OF PETITIONS

In re Application of :
Todd Hargroder : DECISION ON
Application No. 10/694,508 : PETITION
Filed: October 27, 2003 :
Atty Docket No. P-7519(CIP) :

This is a decision on the PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b), filed October 14, 2006.

The petition is **GRANTED**.

The above-identified application became abandoned by operation of law for failure to timely file a proper reply to the final Office action mailed April 6, 2006. This Office action set a shortened statutory period for reply of three (3) months from the mail date of the action. An amendment, made timely by an accompanying petition and extension of time for response within the third month, was filed on October 2, 2006. It has been confirmed that this reply filed October 2, 2006 failed to place the application in condition for allowance. (Enclosed please find an Advisory Action). Thus, the maximum period for reply expired on October 6, 2006 with no proper reply received. Accordingly, the application became abandoned on October 7, 2006.

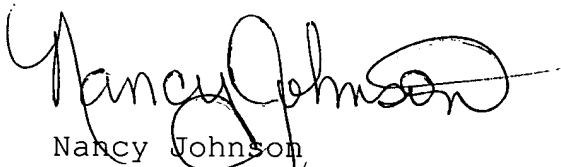

However, prior to the Office issuing an Action in response to the reply filed October 2, 2006 and a courtesy Notice of Abandonment, on October 14, 2006, applicants filed the instant petition and a Request for Continued Examination (RCE) with the

amendment filed October 2, 2006 as the submission. Despite the abandonment and without benefit of a decision on the petition, prosecution of this application continued. A Notice of Allowance and Fee(s) Due was mailed on October 18, 2006. This petition is being granted to close the gap in prosecution.

The petition includes the required reply in the form of an RCE and submission (and fee). Petitioner has paid the petition fee and made the required statement of unintentional delay. Petitioner has thereby met the requirements for a grantable petition under 37 CFR 1.137(b).

The Office of Patent Publication has been advised of this decision. The application file is, thereby, being forwarded to the Publishing Division for processing into a patent.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3219.

Office of Petitions

Enclosure: Advisory Action

<p align="center">Advisory Action Before the Filing of an Appeal Brief</p>	Application No. 10/694,508	Applicant(s) HARGRODER, TODD L.	
	Examiner Daniel Yeagley	Art Unit 3611	

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

THE REPLY FILED 02 October 2006 FAILS TO PLACE THIS APPLICATION IN CONDITION FOR ALLOWANCE.

1. ☒ The reply was filed after a final rejection, but prior to or on the same day as filing a Notice of Appeal. To avoid abandonment of this application, applicant must timely file one of the following replies: (1) an amendment, affidavit, or other evidence, which places the application in condition for allowance; (2) a Notice of Appeal (with appeal fee) in compliance with 37 CFR 41.31; or (3) a Request for Continued Examination (RCE) in compliance with 37 CFR 1.114. The reply must be filed within one of the following time periods:

- a) ☒ The period for reply expires 3 months from the mailing date of the final rejection.
 b) ☐ The period for reply expires on: (1) the mailing date of this Advisory Action, or (2) the date set forth in the final rejection, whichever is later. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of the final rejection.

Examiner Note: If box 1 is checked, check either box (a) or (b). ONLY CHECK BOX (b) WHEN THE FIRST REPLY WAS FILED WITHIN TWO MONTHS OF THE FINAL REJECTION. See MPEP 706.07(f).

Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

NOTICE OF APPEAL

2. ☐ The Notice of Appeal was filed on _____. A brief in compliance with 37 CFR 41.37 must be filed within two months of the date of filing the Notice of Appeal (37 CFR 41.37(a)), or any extension thereof (37 CFR 41.37(e)), to avoid dismissal of the appeal. Since a Notice of Appeal has been filed, any reply must be filed within the time period set forth in 37 CFR 41.37(a).

AMENDMENTS

3. ☒ The proposed amendment(s) filed after a final rejection, but prior to the date of filing a brief, will not be entered because
 (a) ☒ They raise new issues that would require further consideration and/or search (see NOTE below);
 (b) ☐ They raise the issue of new matter (see NOTE below);
 (c) ☐ They are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal; and/or
 (d) ☐ They present additional claims without canceling a corresponding number of finally rejected claims.

NOTE: See Continuation Sheet. (See 37 CFR 1.116 and 41.33(a)).

4. ☐ The amendments are not in compliance with 37 CFR 1.121. See attached Notice of Non-Compliant Amendment (PTOL-324).
 5. ☐ Applicant's reply has overcome the following rejection(s): _____.
 6. ☐ Newly proposed or amended claim(s) _____ would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claim(s).
 7. ☒ For purposes of appeal, the proposed amendment(s): a) ☒ will not be entered, or b) ☐ will be entered and an explanation of how the new or amended claims would be rejected is provided below or appended.
 The status of the claim(s) is (or will be) as follows:
 Claim(s) allowed: _____.
 Claim(s) objected to: _____.
 Claim(s) rejected: 1-10 and 21-30.
 Claim(s) withdrawn from consideration: 11-20.

AFFIDAVIT OR OTHER EVIDENCE

8. ☐ The affidavit or other evidence filed after a final action, but before or on the date of filing a Notice of Appeal will not be entered because applicant failed to provide a showing of good and sufficient reasons why the affidavit or other evidence is necessary and was not earlier presented. See 37 CFR 1.116(e).
 9. ☐ The affidavit or other evidence filed after the date of filing a Notice of Appeal, but prior to the date of filing a brief, will not be entered because the affidavit or other evidence failed to overcome all rejections under appeal and/or appellant fails to provide a showing of good and sufficient reasons why it is necessary and was not earlier presented. See 37 CFR 41.33(d)(1).
 10. ☐ The affidavit or other evidence is entered. An explanation of the status of the claims after entry is below or attached.

REQUEST FOR RECONSIDERATION/OTHER

11. ☐ The request for reconsideration has been considered but does NOT place the application in condition for allowance because: _____
 12. ☐ Note the attached Information Disclosure Statement(s). (PTO/SB/08) Paper No(s). _____
 13. ☐ Other: _____

Continuation of 3. NOTE: The additional claim limitation is considered a new issue that would require further consideration and/ or search
